

GOLF GUEST INFORMATION

Thank you for choosing to play Arabella Golf Club.

To ensure an enjoyable experience for all golfers, we kindly request that guests take note of the following:

Arrival & Check-In

All golfers are required to register and check in at the Pro Shop prior to play. We recommend arriving at least 30 minutes before your scheduled tee time. Golfers who are unable to utilise a booking are requested to cancel as early as possible to allow the tee time to be made available to others.

No Show Policy

Arabella Golf Club operates in a coastal environment where weather conditions can change throughout the day. We play golf in all weather conditions except where the Golf Club determines that the course is unsafe or unplayable. Guests who elect not to play due to weather conditions, where the course remains open for play, will be treated as cancellations and be subject to the applicable cancellation or no-show policy.

Course Safety

Arabella is an active golf course. Please remain aware of golfers playing adjacent holes and follow all course signage and instructions from golf staff. Walking, jogging and recreational activities unrelated to golf are not permitted on the golf course during playing hours. Golfers should always ensure the area ahead is clear before playing a shot.

Pace of Play

Please keep pace with the group ahead of you. If your group falls behind and is delaying play, Golf Operations staff may request that you increase your pace or allow faster groups to play through.

Golf Etiquette

Repair pitch marks on greens and rake bunkers after use. Replace or fill divots where applicable. Respect fellow golfers, staff and the golf course at all times.

Dress Code

Appropriate golf attire is required. Golf shirts with collars, tailored golf shorts or trousers and recognised golf footwear are encouraged.

Our team is committed to providing an exceptional golfing experience and will gladly assist should you require any information before or during your round.

We look forward to welcoming you to Arabella Golf Club.
