## HOW WE MAKE

We go the extra mile to do more than just make food, by making food with thought.

### THINK QUALITY

From the first sip to the last bite, you can taste the difference.

We are committed to only using free-range eggs.

Our coffee is globally-sourced, locally-roasted & professionally poured.

We leave the skin on our fries because they're more nutritious that way.

### THINK WELLNESS

We do our best to offer you more and more, no matter your dietary requirements.

To help you make more informed choices, kilojoule counts are listed next to each meal & the full nutritional guide is on our website.

In partnership with Chef Mokgadi Itsweng, we're offering more delicious choices made with future thinking, locally sourced ingredients like sorghum, lentils & beans.

Find Mokgadi's creations using the  symbol.

We're Vitality HealthyDining partners – find approved meals using the  symbol.

### THINK COMMUNITY

A meal is only as good as the ingredients that were used to prepare it, so we source the majority from local farmers & suppliers.

Together with our partners, Cupcakes of Hope, we are committed to raising awareness & funds for kids affected by childhood cancer.

As part of the YES (Youth Employment Service) Programme, we continue to employ young black South Africans in our restaurants every year.

Our baristas pour their passion & professionalism into every cup of coffee they make. Whether you like a creamy & velvety cappuccino or a reliable & robust filter coffee, we offer a variety of creations to satisfy your craving.
