Back Massage & Exfoliation : 60 min – R730

Our therapists use an oil blend to massage the muscles and connective tissues from the head and neck down to the lower back, releasing the muscle knots to calm the nerves and restore the spirit and increase circulation. You can choose from between a gentle therapeutic or deep tissue massage treatment.

Reflexology: 30 min – R520 | 60 min – R740

Deep pressure points are applied under the feet to relieve tension and stimulate nerve endings. This includes a short massage to restore the energy flow to the body, reinstating a sense of serenity to your day.

Bellabaci cupping back massage : 60 min – R815

Bellabaci cupping full body massage : 90 min – R1140

Bellabaci Cupping Therapy is a modified and simplified version of the ancient cupping therapy which assists in treating cellulite and helping with pain relief and the release of tension from tight, sore muscles by sedating your nervous system and stimulating lymphatic draining and blood circulation, ultimately detoxifying the body and helping release tension from tight, sore muscles. Bellabaci aromatherapy oil is applied on the affected area and silicone suction cups are placed on the skin to massage the area.
