THE FOUNDRY

SIGNATURE STEAK

In the mid-15th century, when steak as a concept was born (from the Scandinavian steik or Middle English stickna), Chef Kattan in 2025 undertook an extensive global study across butchery tables, to select the finest cuts for The Foundry. The result is a curated menu of bold meats, complemented by artisanal butter selections and fresh-baked French and Italian breads, setting the tone for an elegant meat-forward dining experience.

We are prepared for your memorable dining experience at The Foundry Abu Dhabi.
